

Sharp's AL2040CS laser copier/printer/scanner is the perfect addition to any home or small business setting. This multifunction device has two, 250-sheet paper trays, a 50-sheet automatic document feeder and makes 2-sided copies (one-sided originals only). The AL2040 CS outputs 16 copies per minute and prints 16 pages per minute. In addition to the USB 2.0 connection, the built-in network card allows the user to easily share the printing capabilities of this device with others on their network.

Features:

20-Copies per Minute for quick copies anytime.

Up to 16 Prints per Minute via USB or network connections.

1 to 1 Duplex Copies and Duplex Printing for conserving paper or making small documents.

Two, 250-Sheet Paper Trays to easily handle multiple paper types and sizes.

50-Sheet Automatic Document Feeder for quick duplication of large documents

Standard USB and Built-In Network Card for printing via network and sharing with other users.

Full-Colour USB Scanning up-to-9600 dpi for accurate image scanning.

SharpDesk™ is an innovative software solution for managing scanned documents and images.
